EDUCATION

The Pennsylvania State University, Schreyer Honors College <i>Eberly College of Science, B.S Astronomy and Astrophysics</i> <i>The College of the Liberal Arts, B.A International Political Science, Minor: American Sign Language</i>	University Park, PA May 2028 GPA: 3.79
---	---

WORK EXPERIENCE

Institute For Astronomy, Chris Ashall <i>NSF REU Student</i>	University of Hawaii, Manoa <i>June 2026-August 2026</i>
--	--

- Conducted remote observations and obtained supernova spectra with the Keck and NASA IRTF telescopes.
- Analyzed optical and near-infrared spectroscopic data and authored a first-author paper on Type-IIb supernovae for publication.

Undergraduate Research and Fellowships Mentor <i>Undergraduate Research Ambassador</i>	University Park, PA <i>April 2026-</i>
--	--

●

Department of Astronomy and Astrophysics, Charlotte Ward <i>Undergraduate Research Assistant</i>	University Park, PA <i>August 2025-</i>
--	---

- Analyze ZTF and Rubin Observatory survey data to identify rare transient events and changing-look AGN.
- Develop Python pipelines to track photometric variability and classify active galactic nuclei.

Schreyer Honors College, New Student Experience <i>Peer Educator</i>	University Park, PA <i>January 2025-</i>
--	--

- Mentor and support over 300 first-year Schreyer students through orientation programming.
- Introduce students to academic resources, community engagement, and honors opportunities.

Elementary Institute of Science <i>Food and Compost Intern</i>	San Diego, CA <i>June 2021-August 2023</i>
--	--

- Coordinated food recovery and recycling efforts, repurposing 90% of surplus food.
- Assisted instructors in delivering hands-on STEM activities for students ages 7–14.
- Supported educational programming for underrepresented communities.

LEADERSHIP AND INVOLVEMENT

Schreyer Honors College Student Council <i>Primary THON Chair</i>	University Park, PA <i>April 2025-</i>
---	--

- Lead fundraising initiatives that raised over \$17,000 during my first year.
- Organized and executed fundraising events and outreach initiatives, delegating tasks and managing timelines to maximize participation and donor engagement.
- Facilitated communication across THON committees and organization members to streamline planning and improve event execution efficiency.

Childcare Provider

San Diego, CA

2020-June 2024

- Trusted to provide comprehensive childcare services to multiple families in the Del Cerro and Lake Murray area.
- Create age-appropriate activities for mental and physical stimulation.
- Manage and resolve conflicts between children in a calm and fair manner, teaching them problem-solving skills and encouraging positive communication.
- Communicate regularly with parents about children's behavior, activities, and any concerns.

SKILLS & INTERESTS

American Sign Language, Python, Proficient in Microsoft Office
